Resolution Approving University of North Alabama Proposed FY 2 Budgets

Ir. Ouellette gave an overview of this resolution. With various e conomic unknowing this time of pandemic, the budget process has presented an array of chall he proposed budget for next year reflects a \$3.9 million deficit, but the University liministration and the Committee are confident that can be minimized through ductions and leaving a number of personnel positions unfilled. Adequate instructions have resulted in approximately 300 fewer international students living unput this year, thereby affecting auxiliary revenue. A deficit highlights the final NA's funding needs are real, and Project 208 efforts remain critically importation.
