2. Review and Approval of the Minutes from the December 2, 2021 Advisory Council Meeting – Dr. Quinn Pearson made a motion to approve the minutes, Dr. Chris DaSambiagi Moore seconded the motion, and the minutes were approved unanimously.
3. Enrollment Update Dr. Quinn Pearson shared some enrollment information with the group and some various trends
4. CACREP Related Updates
 - x Curriculum Map () Tj / TT0 1 T- (r) - [T- (r) - [D(CA) - [T- ev (t) - 26y / T1 Tj (r) - 307 T.) - 1(at) - 26a4 already meets most all standards there will not be any changes/add to our courses.
 - x Program Objectives and Key Performance Indicators (KPIs) Counselor Education department streamlined program objectives and CACREP wants key performance indicators. The department has also had to add measures as well. Dr. Pearson reviewed a few as examples to show how we collect data throughout semester. D Nelson commented on how proactive we are being by updating all our measures. She was encouraged by all this work but stated local schools are very far behind. It's the difference between national standards and state standards (Alabama which uses standards from 2003)
5. Social Media Policy—The group reviewed the social media policy that hasn't been updated since 2017. It was decided we might want to change the policy name to CED digital media policy. The policy itself was overhauled during the meeting with suggestions from the council. The department will reword and make the final changes.
6. Suggestions for Additional Clinical Sites for Practicum & Internship Experiences this topic was not discussed as some members were missing.
7. Diversity Initiatives
 - x Diversity Meetings—The faculty are hoping to start meeting in the fall semester. The meetings will be held monthly every Thursday before class (5:00pm) with a Zoom option. Snacks and informal conversation with faculty/mentors for first 15 minutes then students break out in smaller groups based on interest. Dr. Moore
