known by many committee members. Ms. Conlon raised a concern that to stop the all-you-can eat in a ~~continuing dining environment does affect the to go her expectation~~

Consistent marketing language for food services has been a concern. Ms. Burney has talked with Dr Hendricks (University Advancement), Tammy Jacques (SOAR), Ms. Greer (SGA) and staff for tours (LaGrange Society) to keep to same language and say the same way. She is excited about the responses and results to come.

The monthly calendar handouts are increasing awareness of Towers. Ms. Burney has enlisted help from University Residence to circulate in the residence halls. She is assured that even staff in
